Building Communities through

Arts and Heritage Program

Our Government recognizes that celebrating Canadian culture and heritage is important to our communities, our identity, and our economy. This is why we invest in festivals, like Ann Harvey Days, that bring Canadians together to take part in cultural activities and celebrate local history and heritage.

On behalf of Prime Minister Stephen Harper and the Government of Canada, I thank the organizers and all those who help bring this unique festival to life. Isle aux Morts has much to be proud of, and we are pleased to be part of the Ann Harvey Days celebrations.

The Honorable Sandy Collins
